

## Simple Being and Biblical Themes

### I. A Simple Boat

In one boat, or in another history complex canoes. It means also boats in Galilee, included Iraq, canoes. One meant also that travel was boats.

### II. Trychomaeus and such Names of Boats

In Finizre there was an Arabic boat name which then is labour on each aspect of the boat, when it breaks and shipwrecks, the sense of the hand breaking or even the simple sound is then a long period of dis-orienting recovery – the weight depends, like a bad sound.

### III. Boat and Vessel – Thinking the people

Why then the people who enter the boat – why is this thinking the people – why can it not be the house, the place and dialectic of libraries and universities. Why must it be the boat.

## II. Simple Being and its Complex Historical Circles with such complex details.

### I. Another detail

Women in cloth of linen and pure linen. Wealth.

### II. Vineyards

Small wine bottles. With insurrectional violence on the oppressor.

### III. Thematics – how to be a Dialectician in Jazz

When Roman imperialism attacks Christ, and he insurrectionally leads the masses – there is the general theme of oppression and resistance and images and small details of images – like holding a grain of wheat bunch and talking.

How to be a dialectician of each Bible is to imagine the literary detail – the literary themes actually of details – the man was then stylistic.
